MFR: In FY81 a disagreement existed between AGC and Surgeon General Office on whether the Army portion of the contract with SRI-I fell under the provisions of procedure 18. This letter requests an early decision to avoid the problems caused by the delay in forwarding FY 82 funds.

Additions/Changes to the proposed Statement of Work for FY82 (U)

- (S/NOFORN) 2.4.0 Continue development and evaluation of the Coordinate Remote Viewing (CRV) Training Program. Train Army personnel in the CRV technique.
- (S/NOFORN) 2.4.1 The CRV Training Program is to be developed in phases. This will allow Army personnel to be trained after the development and evaluation of the individual phases and prior to the completion of the entire CRV Training Program.
- (S/NOFORN) 2.4.2 Army personnel to be trained will be jointly selected by INSCOM and SRI. After the completion of each training phase, SRI personnel involved in the development program will have reasonable access to Army personnel trained to assist in further evaluation of the program.
